Northwind HomeGuard - Policy Wording

Edition 2026-01. This wording applies to HomeGuard policies that start or renew on or after 1 January 2026. Northwind Mutual Insurance Society is registered in Verdania under number NM-40417 and supervised by the Verdanian Financial Conduct Office.

How this policy works

This policy wording, your schedule and any endorsements form your contract with us. The schedule shows which sections you have chosen, the sums insured and the period of insurance. Please read all three documents together and keep them in a safe place.

Words in bold have the meaning given in the Definitions section wherever they appear.

Section 1 - Definitions

Buildings: the structure of your home, its permanent fixtures and fittings, outbuildings, garages, walls, gates, fences, drives, paths, patios, swimming pools and tennis courts, all within the boundaries of the land belonging to your home.

Contents: household goods and personal belongings that you own or are legally responsible for, inside your home, including valuables and money up to the limits in Section 3.

Valuables: jewellery, watches, items of gold, silver or other precious metals, works of art, collections of stamps, coins or medals, furs, and portable electronic devices.

Unoccupied: not lived in by you or a member of your family for more than 60 days in a row. A home is lived in when someone sleeps there on most nights.

Excess: the amount you pay towards each claim. The excess applies per incident and per section.

Period of insurance: the period shown on your schedule, normally twelve months, and any later period for which you pay and we accept the premium.

Section 2 - Buildings cover

We cover loss of or damage to your buildings caused by: fire, lightning, explosion or smoke; storm or flood; escape of water or oil from any fixed installation; theft or attempted theft; subsidence, heave or landslip; impact by vehicles, aircraft, trees or animals; malicious damage or vandalism; and earthquake.

Alternative accommodation. If your home cannot be lived in after damage we cover, we pay reasonable costs of comparable accommodation for you, your family and your pets, up to 20% of the buildings sum insured and for no longer than 18 months.

Trace and access. We pay up to €5,000 for finding the source of an escape of water and repairing the damage caused in finding it.

Accidental damage to buildings is covered only if your schedule shows the Accidental Damage extension.

Section 3 - Contents cover

We cover loss of or damage to your contents caused by any of the events listed in Section 2.

Limits within the contents sum insured:

Item	Limit
Valuables in total	30% of the contents sum insured
Any single valuable, unless listed on the schedule	€2,500
Money and cash	€400
Garden contents	€1,000
Contents temporarily removed from the home	15% of the contents sum insured
Frozen food spoiled by a power cut	€600
Contents in outbuildings and garages	€3,000

Any single valuable worth more than €2,500 must be listed on your schedule with its value, otherwise the most we pay for it is €2,500.

Section 4 - Excess

Claim type	Excess per incident
Standard (all claims unless shown below)	€250
Escape of water	€500
Subsidence, heave or landslip	€1,500
Claims while the home is unoccupied (where still covered)	€1,000
Home emergency add-on	none

Only one excess applies when a single incident causes damage to both buildings and contents and both are insured with us under this policy; it is the higher of the two.

Section 5 - Exclusions

We do not cover:

1. Theft, attempted theft, escape of water, escape of oil and malicious damage while your home is unoccupied.
2. Wear and tear, gradual deterioration, rot, damp, condensation, insects or vermin.
3. Damage that happened before the period of insurance began.
4. Loss caused by war, terrorism (except as required by Verdanian law), nuclear risks or confiscation by a public authority.
5. Loss of data or damage caused by a computer virus or a cyber attack.
6. Storm damage to gates, hedges and fences.
7. The cost of replacing undamaged items that belong to a set or a suite when only part of it is damaged.

Section 6 - Claims conditions

- Tell us about a claim as soon as you can and in any case within 30 days of the incident.
- Report theft, attempted theft, malicious damage and lost property to the police within 24 hours of discovering it and get a crime reference number.
- Keep damaged items until we have seen them, unless we agree otherwise.
- You may arrange emergency repairs to prevent further damage up to €1,000 without asking us first. Keep the invoices.
- Do not admit liability or offer payment to anyone without our written consent.

Section 7 - Cancellation

Cooling-off period. You can cancel within 14 days of receiving your documents, or of the start date if later, and we refund the premium in full, unless you have made a claim.

After the cooling-off period you can cancel at any time; we refund the premium for the unused period less an administration fee of €35. No refund is due if a claim has been paid in the current period of insurance.

We may cancel the policy by giving you 14 days' written notice to your last known address, for example if you do not pay the premium or if we find evidence of fraud.

Section 8 - Home emergency add-on

If your schedule shows Home Emergency, we pay for a contractor to deal with a sudden emergency at your home, such as a failed boiler, a burst pipe or a lost key. We pay up to €500 per incident for call-out, labour and parts, for up to 4 incidents in each period of insurance. Call the 24-hour emergency line on +00 31 360 1921.
